

**The Mary Martha Altar Guild  
of  
St. Luke's Episcopal Church**

**Annual Report for 2009**

The purpose of the Mary Martha Altar Guild is to take care of all detailed work involved in assisting Father Calvin R. Griffin with the altar and carrying out any services at St. Luke's Episcopal Church.

We prepare the altar for Holy Communion, Marriages, Holy Baptisms, Confirmations, Funerals and assisting when we are needed.

We decorate the church according to the seasons. We are, also responsible for the assigning of oblationers.

We must keep all of the sacred vessels cleaned, polished and in their proper places at all time. We change the hanging and arrange for flowers to be placed on the altar according to the church calendar. After service, the flowers are delivered to the sick and shut-in or to a member of that family that is present. If flowers are purchased in honor of a special occasion, then the flowers are given to that person(s).

We are looking forward to a more spiritual and harmonious working relationship in 2010.
